(16)MECRIT/Award/2021-2022/529

13 October 2021

Notification

The Medical Education Centre for Research Innovation and Training (MECRIT), KGUMSB in collaboration with Bhutan Foundation will be awarding Research Grants to successful applicants. Since there is limited research fund, the grant will be awarded to **OPERATIONAL RESEARCH** proposals **ONLY**. Interested candidates may apply as per the following criteria:

1. Documents to be submitted:
 - Application addressed to the Director, MECRIT, KGUMSB
 - Complete and updated version of research proposal (if a novice researcher must have a mentor)
 - CV of the researchers
 - Copy of approved ethical and administrative clearances (If in the process must state its status)
2. It must be an **OPERATIONAL RESEARCH proposal**
3. The research must be **COMPLETED** within **12 months** of receiving the research grant
4. The decision made by the Grant Selection Committee will be final and the outcome will be informed via email
5. The research has to be published and the proof of the publication must be submitted to the MECRIT, KGUMSB
6. **Disclosure** of the same proposal if **applied** for **another grant**
7. In the event of an indication of **plagiarism**, the proposal will be **rejected**
8. The research proposal must be **submitted ONLINE**. NO HARD COPY will be accepted.
9. It should be the responsibility of the candidate to ensure that the applications are received by the MECRIT and get acknowledgement via email.
